

Principal's Update

27 March 2020

Dear all

Well we have made it to the end of this first week of online learning and I think it has been a sharp learning curve for us all :)

My staff are keen to provide the best learning experiences in this online format and to that end we are purchasing for all teachers "Zoom". This will enable teachers to welcome their students into an online lesson where the students will be able to see their teacher and each other, ask questions, receive PowerPoints and online material as the teacher explains it and more.

A few teachers have trialled the free version with their classes and have been pleased with the outcomes.

I would also like to mention that for young people and particularly teenagers not to have the ability to socialise with their friends (which is an important part of school) will be a challenge.

If you find that your child is struggling with their wellbeing please contact us. Their Year Adviser, Head Teacher Stage and/or Stage Deputy Principal will be happy to provide you with advice and support. Our school counsellors are also only a phone call away.

Just a reminder:

Stage 4 deputy is Neil Parsons and Stage 4 HT is Bernadette Smith

Stage 5 deputy is Tony Gahan and Stage 5 HT is Fiona Ackerman

Stage 6 deputy is Colette Longley and Stage 6 HT is John Feros.

School Counsellors are Christina Tantalos (M, Fri) and Sandra Vine (Tu, Wed, Thurs).

Of course I am also here and you can ring me or send me an email :)

Thank you all for your ongoing support during this difficult time.

Susan
