

Principal's Update

12 June 2020

Dear all

Well as soon as I indicate that there will be one update in a week; updated news is released from the Department that requires a second email :)

I have attached updated information for parents from the Department but the exciting news is that music ensembles and tutors can again commence working with our music students and our sports coaches can commence training with our sporting teams before and after school from Monday 15 June.

At this time we are still not able to have large meetings with parents and so:

- Year 10 into Year 11 Information evening will still take place via Zoom on Wednesday 17 June. I will send the invitation to Year 10 families in a separate email next week.
- Year 11 Parent Teacher night will take place on Wednesday 24 June via phone calls (please don't forget to include the preferred contact phone number)
- Year 10 Parent Teacher night will take place on Tuesday 30 June also via phone calls

Sadly we cannot have the Year 10 interview week before students are required to make their choices for Year 11 2021 and so by having the Year 10 parent/teacher interviews on this night we are hoping that parents will be able to discuss subject choices and levels particularly with English and mathematics.

As mentioned in a previous update reports will be given out each Friday:

- Year 7 - 12 June
- Year 8 - 19 June
- Year 10 - 25 June and before the Parent Teacher night
- Year 9 - 3 July

Year 11 will receive their report in the first week of next term.

While there is not a lot in this update for Year 12 as mentioned previously Year 12 will commence their trial HSC in weeks 2 and 3 of term 3, commencing Monday 27 July. We hope to release the trial timetable shortly.

While we have not been given the go-ahead for camps at this time the wording in the attachment seems to suggest that it is being thought about for term 3.

Best wishes

Susan

A guide to NSW school students returning to face-to-face learning

Information has been updated as at 11 June 2020, until further notice.

In line with health advice, schools are operating full time, and many additional activities are now able to recommence

All schools have returned to full-time on-campus learning. With updated health advice and changes to state and national restrictions, schools are able to recommence the majority of school-based activities from either 15 June 2020 or the start of Term 3 (20 July 2020). Some activities are continuing to be considered.

The following principles underpin these guidelines:

- schools continue to be safe and operations are in line with Australian Health Protection Principal Committee (AHPPC) and NSW Health guidelines
- existing infection control protocols at schools, and new health and safety measures put in place will help maintain the health and safety of students and staff
- all activities permitted at school are safe and appropriate in a living with COVID-19 environment.

School students do not need to follow strict adult physical distancing guidelines, but should follow good hygiene practices like:

- regularly washing hands
- avoiding sharing drinks or food
- coughing or sneezing into your elbow, or a tissue which should be discarded immediately
- filling water bottles from bubblers rather than using the bubbler directly.

School attendance

All students should be at school unless:

- they have a medical certificate which states that they are unable to return to school due to an ongoing medical condition and the expected timeframe
- they are currently unwell.

School activities/ school site usage

The majority of school-based activities can recommence, as long as the following measures are observed:

- all visitors and external to school providers must adhere to relevant hygiene, distancing and safety protocols
- principals may continue to restrict, limit or prohibit activities if they are seen as contrary to the current health advice
- external providers and visitors are required to demonstrate compliance with health and safety requirements including adhering to strict guidelines and completing relevant forms
- non-essential adults are still not permitted on school grounds or at school events – this **includes parents/carers** unless specifically approved by the principal.

Physical distancing

Physical distancing of children in schools is not required under the Australian HPPC guidelines. Research has shown limited transmission risk associated with school children in the school environment.

All adults must maintain physical distance from each other (1.5m) including teachers and support staff, and parents.

Schools should ensure school pick up and drop off arrangements enable parents to physically distance from one another and from staff.

School cleaning and hygiene supplies

Your school will continue to receive additional cleaning in line with the AHPPC guidelines and advice from NSW Health. Target areas include high-touch areas and other hard surfaces, door handles, lockers, light switches and handrails in stairways and movement areas. There will also be additional cleaning of toilets and bubblers and topping up of supplies like soap.

Your school has received supplies of soap, hand sanitiser, toilet paper, paper towels, disinfectant wipes and personal protective equipment. The school is able to order more as needed.

Activities under consideration from Term 3

The following events will be reconsidered in Term 3. For now these events must remain on hold.

- School camps

- Parent attendance at assemblies and other school events (e.g. graduation ceremonies or student speech events)
- Parent volunteers – e.g. parent reading helpers (note: canteen and uniform shop volunteers are permitted)
- Interstate excursions
- School based activities that involve large gathering of adults are not permitted at this time. These include parent/community gatherings such as parent functions, working bees, fundraisers, school BBQs, large parent information evenings, and large on-site cultural events. These large gatherings and the following activities will continue to be reviewed and assessed based on AHPPC and NSW Health advice and may be permitted at a later date.

Activities that are cancelled, delayed or not permitted

Certain large arts and sports events are cancelled or delayed because they require feeder activities and have long-lead time organisational arrangements. Please speak to your schools if you would like to know more.

International excursions are cancelled until further notice.

Reporting and assessment

You will receive your child's semester 1 report before the end of August (Week 6, Term 3).

This will be a simplified version of the report you normally receive. Schools are encouraged to discuss your child's progress with you before the written report is issued.

Responding to COVID-19 cases

There is a clear plan in place for schools to respond to any suspected or confirmed cases of COVID-19 in our schools. We are working closely with NSW Health and will communicate with parents if a situation arises. Find out more at the [response protocols page](#).
